PARTNER GUIDELINES

In order to participate in our Partner Program, a company must be a commercial (for profit) organization with a valid website and physical address where the business is headquartered. The company must demonstrate a commitment to further develop its solutions to support the Silver Spring customer community. These Partner Guidelines are subject to change at the sole discretion of Silver Spring.

GOOD STANDING

- Partners in the Silver Spring Partner Program must remain in good standing throughout the term of the business relationship. Partners are considered to be in good standing if they:
 - » Have a valid Silver Spring Agreement.
 - » Meet the Terms and Conditions of their Silver Spring Agreement, and any applicable Exhibits or addenda on a consistent basis. Failure to meet these Terms and Conditions will affect the Partner's standing and may result in termination as outlined in the Silver Spring Agreement.
 - » Maintain a designated relationship manager responsible for facilitating interaction between the Partner and Silver Spring including sales, marketing, technical, and business-related issues.
 - » Pay applicable hardware, software license fees and invoices for other products or services by their respective due dates.
- All Partner relationships are reviewed annually to ensure that objectives and applicable Partner Program requirements are being met on a consistent basis.

MARKETING

All Partners will cooperate with Silver Spring in any promotions, presentations and customer references as Silver Spring reasonably requests. Partners will be solely responsible for its costs and expenses related to its advertising, marketing, and promotion of its partnership with Silver Spring. Any reference or use of any Silver Spring Networks logo or trademarks which are used for promotional purposes such as any advertising, trade show booth, or press releases shall be pre-approved in writing by Silver Spring.

- Partner must provide a solution specification sheet, which will include technical specifications, features, benefits and use cases of the Partner's interoperable or integrated solution.
- Partner will provide its logos, company description, product / solution collateral for Silver Spring use on the Silver Spring website and other Silver Spring promotional material.
- If Partner has a partner section of their website, Partner will create a web link from the partner website to www.silverspringnetworks.com using the approved Partner Tier logo. Partner shall reference Silver Spring as a Partner on any of its promotional material that displays its Partners.
- Silver Spring shall include the Partner company name or logo on the Silver Spring website to market the business relationship between the Partner and Silver Spring.
